

# Western Upper Peninsula Health Department

## **ENVIRONMENTAL HEALTH SANITARIAN**

Western U.P. Health Department is seeking a full-time Environmental Health Sanitarian to provide consultation, inspection and enforcement services for a broad range of environmental health programs. This position serves a five-county region from a base in Hancock.

BS degree in environmental health, environmental engineering, or related field is required. Knowledge of food protection regulations, sewage system design, soil science, and well construction is desirable; excellent communication skills are essential. Registration as a Sanitarian (RS or REHS) or ability to obtain within 2 years of hire is preferred.

WUPHD offers a comprehensive benefit package including health, vision, dental, life insurance, retirement plans, vacation, sick, personal days and paid holidays.
