REGISTERED NURSE, PUBLIC HEALTH

Western U.P. Health Department has an outstanding opportunity for a registered nurse to join its public health nursing team to provide direct client care in multiple public health programs. We are seeking to fill a full-time position that works from a base in L'Anse or Ontonagon, scheduled approximately 3 days per week in L'Anse and 2 days per week in Ontonagon.

Associates degree in nursing with one or more years of experience in acute care, pediatrics, public health, or community health nursing. Bachelor's degree preferred. Michigan RN license required.

Send cover letter and resume to hr@wuphd.org
